

# Animal, Vegetable, Mineral? Mystery Object Panel Game

UCL Museums are bringing back the 1950s TV show *Animal, Vegetable, Mineral*. In this light-hearted recreation of the classic panel game, outwit the experts and come up with funnier explanations as they try to identify our mystery specimens & objects.

What's that object? Our panel of UCL experts Claire Thomson (Scandinavian Studies), Ryan Nichol (Physics and Astronomy), Tom Stern (Philosophy) and Sam Turvey (Institute of Zoology) hosted by Joe Flatman (Institute of Archaeology) will guess what some of the weird, wonderful and wacky objects in UCL Museums & Collections are.

Compete with them on the night via twitter.

Following the event join us for a free glass of wine in a private view of the Grant Museum. Admission is free and there is no need to book.
